New to our Collection-part 3

This is a brass powder flask. The Metal Flasks replaced the original Powder Horns in the early 1800's. These Flasks were made of brass, copper, tin or other available metals and took many different shapes and sizes. These were eventually replaced by paper powder cartridges

ON-GOING ACTIVITIES

Here it is and we are still awaiting an opportunity to open and carry on our usual activities. With the current stages it will be the late summer or early Fall before we can have the public at the Museum for tours and programs. With that in mind we are examining what is likely and probable and will be making a list for our events committee to consider.

Based on current trends **Step One** will begin June 14, Step Two approximately July 5, and Step Three approximately July 26. As we have

seen in the past year these steps will be based on the Ontario Government table of experts and could change at any time.

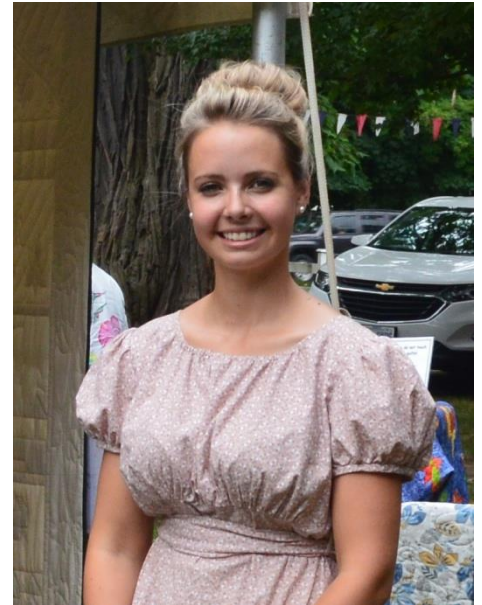

Examining the plan in regards to Nelles Manor Museum reopening and activities, there is potential at **Step Two** to allow for some limited numbers outdoor activities.

Step Three allows museums to start indoor activities with capacity limits.

Congrats - Jess

Jess Linzel was our Young Canada Works Student as the Season Manager started at Nelles Manor Museum for two summers. Jess was a major factor in the success we achieved in our first years. She has majored in History at Brock University and recently completed her thesis on historical aspects in the Niagara region.

Jess is now working at the Brown Homestead on Pelham Road in St. Catharines, an organization focusing on the adaptive restoration of the John Brown House and development of the Brown Homestead campus. She is their Community Engagement Manager. Jess's responsibilities are administrative and related to the operation of the organization and site, and will also be developing and implementing programming and community engagement activities.

Congratulations Jess!

Volunteer - TOUR GUIDES NEEDED

Don't forget us!!!

We are still hoping at to open sometime this summer once this pandemic is under control.

If you have the time and want to contribute to an important cause while meeting some great people along the way, please consider becoming a **volunteer tour guide**. We coordinate our volunteers according their individual schedules and preferences, whether for a few hours or a whole day. We will train you. We have a detailed training manual for you to be able to lead our visitors through the history of the home and the Family. Join our great group of dedicated volunteers.

Estate Planning -

Nelles Manor is one of the few pieces of original Loyalist built heritage left in Ontario. One of the ways to support the Manor is to include Nelles Manor Heritage House in your estate plans.

A donation from your estate or life insurance policy to the Manor could be made to our annual operations or to an endowment fund that would support our major capital needs, or where the income supports our annual preservation, maintenance and operations costs.

Consult your lawyer or accountant as to how to provide this type of support

Thank you all for your encouragement and we look forward to a safe and successful 2021 year!

All donations to Nelles Manor are tax deductible and a donation receipt for tax purposes will be issued
